WELCOME BACK

The image features a central rectangular panel with a sunset background. The sky transitions from a bright yellow-orange at the horizon to a darker orange at the top. A dark silhouette of a treeline is visible at the bottom of the panel. The panel is set against a white brick wall that extends to the left and right edges of the frame. Below the wall is a wooden floor with vertical planks, showing a natural wood grain and some knots. The overall composition is clean and modern, with a focus on the central text.
